

Final examinations must be taken at the assigned hours listed in the published exam schedule. Exceptions will only be allowed due to serious illness or death of an immediate family member. Reasons such as plane schedules, availability of flights, and rides leaving early are not acceptable exceptions. Instructors are not authorized to approve these exceptions.

Class start times include a range of times (e.g., 8:00-8:59 = 8:00, 8:15, 8:30, or 8:45). For courses with multiple-part sections (e.g., lecture w/ lab, lecture w/ discussion group), final exams will be held during the scheduled exam times for lecture sections. For courses with multiple class times (e.g., T 8:00/R 9:00), final exams will be held during the scheduled exam times for the earliest class day of the week. Instructors are not authorized to change date/time of exam without consent of the School Dean and verification from the Registrar's Office.

Students scheduled to take more than two final exams on the same day may reschedule an exam(s), *with written permission from the instructor*, to maintain a maximum of two exams per day. To begin the rescheduling process, students must contact the Registrar's Office at least ten class days prior to the beginning of finals week.

**Rescheduling must be approved by Monday, November 30, 2015.**

\*Instructor must verify that no other exam conflicts with scheduled exam time. If conflict exists, instructors must meet to determine alternative exam scheduling and must notify and verify availability with the Office of the Registrar. If an acceptable agreement cannot be reached, scheduled exam date and time will be assigned to the class listed first (left-to-right) as shown above, and the exam time of the other class will be announced by the instructor. Should an alternate exam date/time conflict or cause the student to have three exams on one day, the instructor announcing the new date/time will make the accommodation.

†For TBA exam days, the instructor will announce the exam time; should the announced time conflict with another scheduled exam, the instructor who announced the exam time will make the accommodation.
